SOLANO RENOVABLES ESPAÑA

ABOUT US

OUR VISION

We specialize in the development of large-scale renewable **energy projects and battery energy storage systems (BESS)**, with a presence in rapidly growing markets in both Europe and Latin America. To date, we have developed a total of 1,959 MW.

In each country, we have dynamic, highly qualified, and competent personnel who are constantly growing and focused on achieving new goals.

SHAREHOLDERS

SOLANO RENOVABLES ESPAÑA was founded in 2007 by Enrique Garrido for the development of solar and wind projects.

SOLANO RENOVABLES ESPAÑA is the sole shareholder of SOLANO RENOVABLES MÉXICO. It is also the sole shareholder of SOLANO RENOVABLES RUMANIA and SOLANO RENOVABLES COLOMBIA.

He holds a 50% partnership in LATAMSOLAR SAS.

He holds a 50% partnership in GRANADA SOLAR SL and SRL.
